- Attendance sheet attached.
- Meeting called to order at 6:30 pm by Vice President Kathy Summers- Sitarsky, followed by the Pledge.

- RaeAnn presented her Treasurer's report, which is attached. She said that starting in June, new members only pay \$10 dues. Also, we need to be using the new waiver forms. Board approved a fair share refund to the teams, which will bring our balance to \$8,000.
- Next month, GMDBC is holding a club picnic, with club supplying hot dogs.
- Captain's reports:
 - Kathy Summers-Sitarsky for TBR reported on the recent Lake Hills School Prom the team helped with at this school for severely impaired youth. Diane Wehr reported the team has raised over \$11,000 for Relay for Life. The team is holding a talent show May 21st at Rohan.
 - Dottie Baker with Sparta 70 reported the team practices Monday from 3-4 on Lake Sumter. The team is recruiting new paddlers ages 68 and up.
 - Bill Mankus of Blackheart thanked Silver Dragons for helping with paddlers in Sarasota. The team will race at Clermont and Mt. Dora before going to Boston. He also thanked everyone who attended their recent music bingo.

- Terry Elsmore with the Paddling Patriots said the team still needs men to race at Clermont. The team continues to practice and is recruiting new members.
- Rich Schaum of the Warriors said the team is working with new members, and will race at Clermont, Turkey Lake, and Sarasota.
- Karen Ness with Silver Dragons said the team will race at both Clermont and Mt. Dora. They have completed 2 sessions of the Enrichment Academy dragon boat class, and hopefully students will continue paddling with various teams. The team continues to support local food banks and Honor Flight.
- Sandra Skopaz with Dragon Sisters reported they recently raced in Tampa, and will be at Clermont and Mt. Dora. The team continues to boycott High Five. The team supports Haven House by volunteering at their thrift store, and is also supporting Habitat for Humanity.
- Per Olesen with Dirty Dozen says the team practices twice a week, but does not race.
- Mary DeFrance with Village Dragons reported that this seasonal team has halted practice until December.
- John Townley introduced candidates for office. Cheryl Moran and Terry Elsmore, both running for President, and Elly Olesen, running for Secretary, gave brief remarks.
- John Townley stressed the importance of voting, and said club bylaws required at least 51% of members must vote for the results to be valid.
- Kathy introduced our speaker, John Rohan, Director of Recreation & Parks for The Villages. He spoke of the expansion and growth in The Villages, and his thoughts on dragon boating and other recreation opportunities.
